2. Approve Minutes of Meeting

The Committee approved the notes of their meeting held on 8th December 2025.

held on 8th December 2025.

3. Fusion update

Fusion is in conversations with other operators regarding a merger/acquisition process and preferred buyer. There are several interested parties who are being asked to submit an expression of interest.

There is planned work for the main entrance at the end of January.

Gym repairs due also at the end of January.

4. Chair/Centre Manager inspections

There have been no inspections since the last meeting in December.

5. Draft SDP

BLSC Chair has noted that there are multiple points in the SDP that are “aspirational” but do not have clear timeframes.

SH – Councillors and officers have requested sign off within the next couple of weeks. He also asked when the pricing announcement would be made public.

MM will coordinate feedback.

6. Investment plan

Investment plan: GG has requested a plan of investments to do all the repairs etc between now and when the lease ends, i.e. a 6 year agreed plan.

7. BLSC update

MM noted that users have noticed an improvement in site cleaning.

8. Lambeth update

Contingency planning: a draft plan has been put together but not shared internally and needs to be run past directors.

Lambeth is looking for proposals for possible events that could take place on what would be the LCS weekend. TMO'N will send through a proposal.

9. AOB

10. Next meeting date and venue

Meeting agreed for 9th February, by Teams.
